Dear Student Families,

Rules, guidance, restrictions and recommendations have been changing almost at a daily rate and these same proclamations apply to certain organizations or establishments in different manners and to varying degrees. Much of the guidance, is also based upon whether or not individuals are vaccinated and may be different based upon the outlet in which you obtain your information.

To make things simple for our school district, for the remainder of this school year, all students and staff will continue to wear a mask while inside the building. The masks may be taken off when outdoors and social distancing can be maintained.

In a time that almost everything is complicated, we can decide to continue to “do what we have been doing”, because it has worked, rather than create a new set of confusing standards.

Thank you, as always, for supporting our schools.
