MERIT HONOR ROLL

Students in grades 4-8 will meet the following criteria to earn Merit Honors:

1. The average rating from the four major content areas (English Language Arts, Mathematics, Science and Social Studies) will be a 3.0 or higher, and
2. The student will receive no “Needs Improvement” and no “Unsatisfactory” ratings for Specialty/Exploratory Classes.

Average Rating is calculated by taking the average of all the practices under each standard for each major content area (ELA, Mathematics, Science and Social Studies). Then the average of the four ratings in each content area will determine the overall average.

For example:

ELA: 3.25

Mathematics: 3.65

Science: 3.35

Social Studies: 3.75

IN THIS EXAMPLE, THE AVERAGE OF THE MAJOR CONTENT AREAS WOULD BE 3.50
