

Dear Parents and Guardians,

The members of Morris Hills High School's Service Learning class are asking for donations on behalf of the United Way of Greater Mercer County. The United Way is a non-profit organization focused on helping the 39,000 people living below the poverty line in Mercer County. One of their goals is to collect things such as: rain ponchos, umbrellas, raincoats, rain hats, mini toiletry items, and laundry detergent for those who cannot afford these items.

If you're interested in donating, a bin will be located outside the front office of Mackinnon Middle School. We appreciate any and all donations!

Thank you,
Alexis Santana and Grace Stackhouse
