Dear Parents and Guardians,

With the challenges we have all faced throughout this pandemic, significant winter weather was not one of them.

That being the case, the district has one unused "snow day". This day will be "given back" and schools will be closed on Friday, May 28. Hopefully, this will afford our student families and staff the opportunity to further enjoy the Memorial Day holiday weekend.

Thank you, again, for your constant support of the school district and your participation in the education of your children. There now seems to be "light at the end of the tunnel" and with that will come the return to normalcy in education.

Sincerely,

Christopher J. Herdman
