April 27, 2021

Dear Parents/Guardians,

This letter is to inform you that a middle school student has tested positive for the Coronavirus Disease (COVID-19).

After consultation with the Department of Health, and due to the safety protocols our district has in place, numbers of "close contacts" have been reduced. Individual families of these "close contacts" will be communicated with and will be asked to monitor their children for any symptoms.

We understand the level of concern regarding COVID-19. We encourage parents and students to continue following the Centers for Disease Control and Prevention promoted safeguards.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact our school nurse.

Sincerely,

Christopher J. Herdman

Christopher J. Herdman

Superintendent
