Dear Parents and Guardians,

This letter is to inform you that a middle school student has tested positive for the Coronavirus Disease (COVID-19).

While doing community-wide notifications is no longer a requirement, our district will continue to provide them.

With the safety protocols and daily cleaning, any chance of spread is greatly reduced. Should your child be determined at risk for exposure you will be individually contacted.

We understand the level of concern regarding COVID-19. We encourage parents and students to continue following the Centers for Disease Control and Prevention promoted safeguards. The District is also in constant communication with and follows the specific guidance from the Department of Health.

As always, we appreciate our community’s support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact our school nurse.

Sincerely,

*Christopher J. Herdman*
