December 1, 2022

Dear Community Members,

The Wharton Board of Education will be holding a community wide Strategic Planning session in collaboration with, and facilitated by the New Jersey School Boards Association. In this planning, held every five years, the school community is tasked with establishing goals and plans for the district’s future.

The Board has decided to conduct this Strategic Planning in a S.W.O.B (Strength, Weakness, Opportunities, Barriers) format.

The first of this three meeting endeavor will be held Wednesday, December 14 in the school library at 6:30 pm. Future meetings dates will be announced and likely occur after the Winter Break.

We invite all residents, parents and staff to join us as we continue our process to make our district continue to improve and excel.

The Board of Education, administration and staff do their very best to make our school an amazing place for our students and we look for the input of the entire greater school community to help build the plan to continue our pursuit of excellence.

We ask that you join us for this meeting to come together and do what we do best, put our children first. If you would like to participate, please express your interest to Ms. Obiedzinski at mobiedzinski@wbps.org.

Sincerely,

The Wharton Borough Board of Education
