Dear Parent or Guardian of:

We would like to inform you that your child has been selected to participate in the district's English as a Second Language Program. Daily, your child will receive one period of English as a Second Language instruction.

Participating in the English as a Second Language Program provides your child with a form of instruction that best meets his or her needs. This preparation will allow your child to acquire the English that will be necessary to be successful in the general education program.

You have the right to review the process of identification, which indicates how your child was selected to participate in the program.

By law, you may request for your child not to receive these educational services. In this case, please contact my office at (973) 361-1253 x 224 to make an appointment to discuss the refusal of these services.

Sincerely,

Alan Bocchino
